NORTH BAY HONOR FLIGHT

2026/2027 Fundraising Campaign

SPEAKEASY GATSBY-THEMED GALA DINNER, DANCING, SILENT & LIVE AUCTION FUNDRAISER

As many of you know from our website and attending our Welcome Home events, North Bay Honor Flight's Mission is two-fold:

One of GRATITUDE, for Veterans' service, sacrifice, and selflessness. We proudly celebrate America's Veterans with a Tour of Honor at our nation's capital.

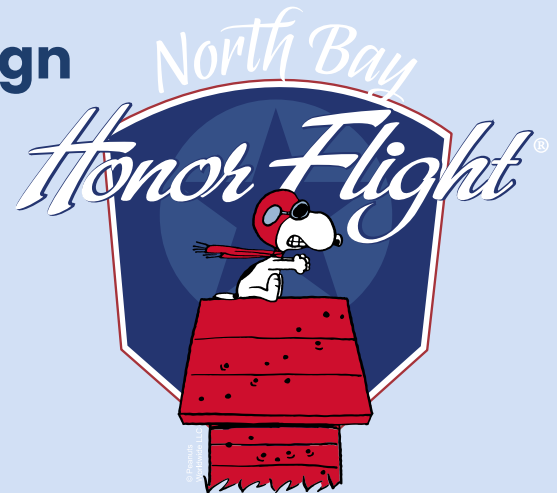

One of RECOGNITION, to provide a long-overdue "Welcome Home" and community of support to Veterans who served during the World War II, Korean, and Vietnam War eras, ensuring their sacrifices are never forgotten. But some may not know *that we receive no government funding* – North Bay Honor Flight is supported solely by donations – from private individuals to large corporations.

Which is why this year we launched a fundraising campaign comprised of three main fundraisers aimed at supporting our Fall 2026 and Spring 2027 Honor Flights to Washington, D.C.

These flights are a touchstone for some, they are cathartic to many, and in no uncertain terms to all – they are essential for our Veterans.

We are most grateful for your participation and contributions that sustain our important mission.
